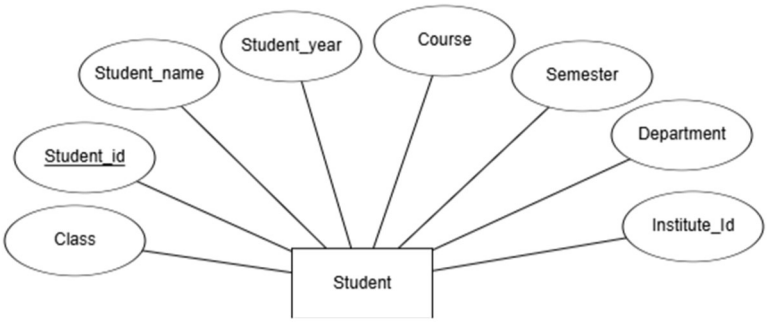
Entities and Attributes:

1. Student

Attributes:

- Student_Id (Primary Key)
- Student_Name
- Student_Year
- Semester
- Course
- Department
- Institute_Id
- Class

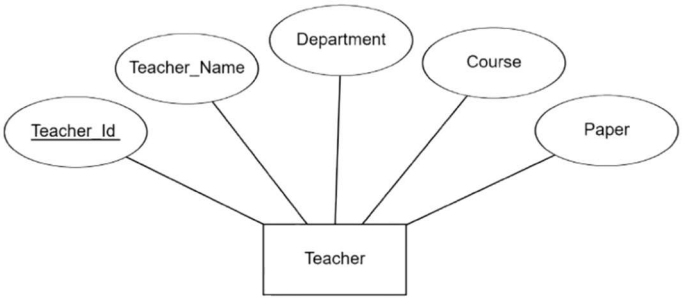


Relationships: Enrolls in Course, Attends Class, Takes Examination

2. Teacher (Faculty)

Attributes:

- Teacher_Id (PRIMARY KEY)
- Teacher_Name
- Department
- Course, Paper

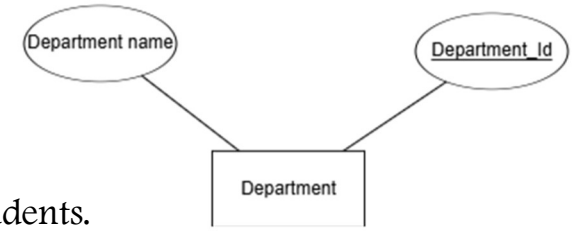


Relationships: Teaches Course, Supervises Paper, Assigned to Class

3. Department

Attributes:

- Department_Id (PRIMARY KEY)
- Department_Name

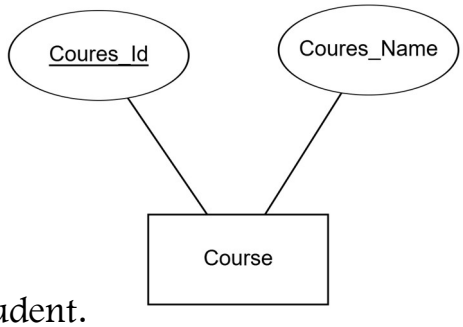


Relationships: Offers Course, Has Faculty, Has Students.

4. **Course**

Attribute:

- Course_Id (PRIMARY KEY)
- Course_Name



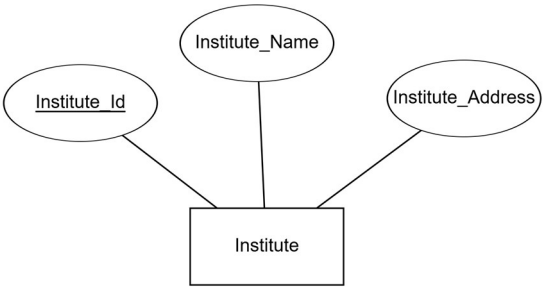
Relationships: Belongs to Department, Has Paper, Enrolled by Student.

5. **Institute**

Attributes:

- Institute_Id (PRIMARY KEY)
- Institute_Name
- Institute_Address

Relationships: Contains Department, Has Student

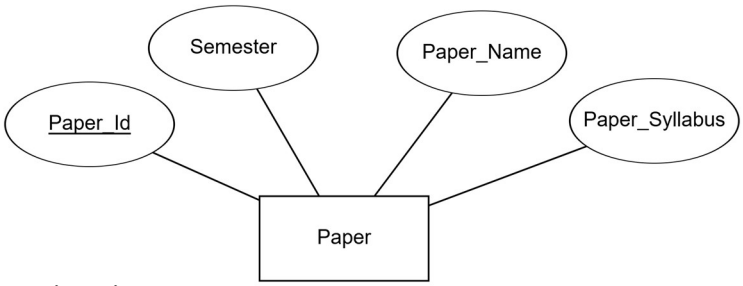


6. **Paper**

Attributes:

- Paper_Id (PRIMARY KEY),
- Paper_Name,
- Paper_Syllabus
- Semester

Relationships: Part of Course, Evaluated in Examination

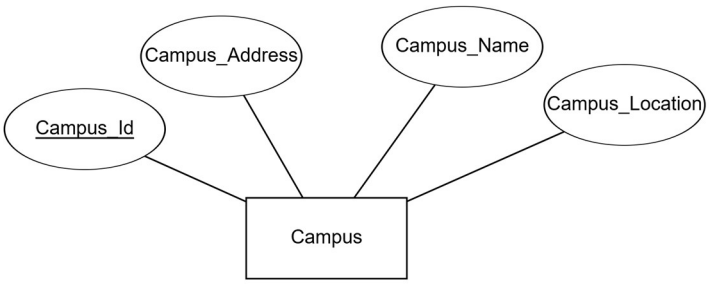


7. **Campus**

Attributes:

- Campus_Id (PRIMARY KEY)
- Campus_Name
- Campus_Address
- Campus_Location

Relationships: Hosts Class, Conducts Examination

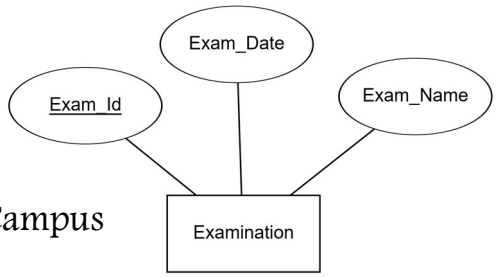


8. **Examination**

Attributes:

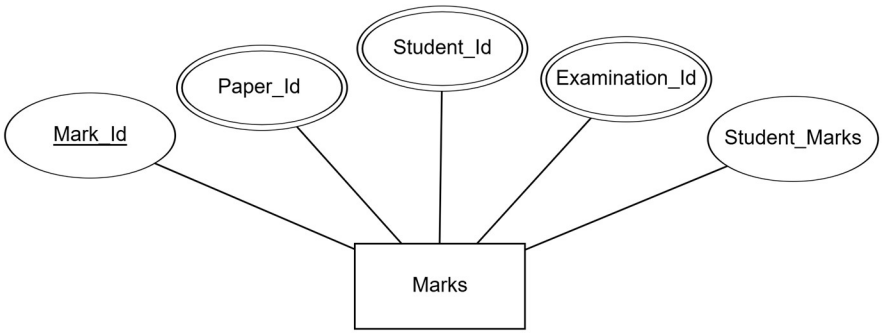
- Exam_Id (PRIMARY KEY)
- Exam_Date
- Exam_Name

Relationships: Includes Paper, Taken by Student, Held on Campus



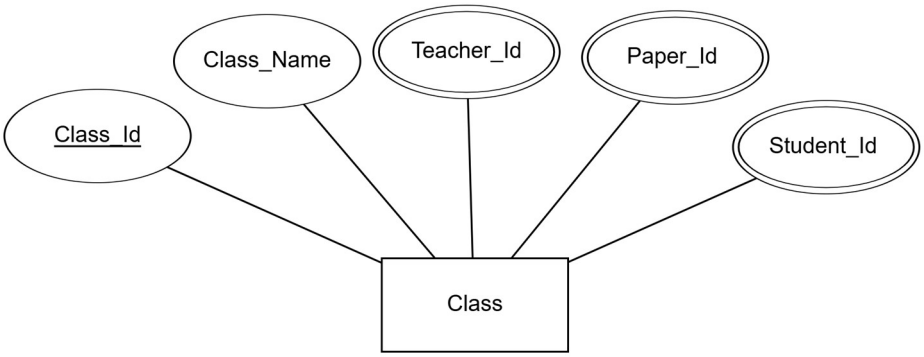
9. **Marks**
   Attributes:
   - Mark_Id (PRIMARY KEY)
   - Student_Id (FK)
   - Paper_Id (FK)
   - Examination_Id (FK)
   - Student_Marks

   Relationships: Records Student Performance



10. **Class**
   Attributes:
   - Class_Id (PRIMARY KEY)
   - Class_Name
   - Teacher_Id (FK)
   - Paper_Id (FK)
   - Student_Id (FK)

   Relationships: Conducted in Campus, Attended by Student, Taught by Teacher



11. **University**
   Attributes:
   - University_Id (PRIMARY KEY)
   - University_Name
   - University_Address
   Relationships: Oversees Institute
